### **The Night Circus by Erin Morgenstern Goodreads**

I guess The Night Circus is one of those books that make it especially hard to write a proper review and if I'm entirely honest I have to admit that I don't even know where to start. It was unlike any other book I've ever read and therefore the usual structure of my reviews just doesn't seem to be appropriate, let alone to fit.

### **The Night Circus Book Review Common Sense Media**

THE NIGHT CIRCUS is a rich, dreamy tale of theatrical enchantment and thwarted love. Erin Morgenstern writes with grace and flair and walks the fine line between the lyrical and the precious. After a while, the nebulous nature of the illusionists' challenge puts a drag on the narrative, but all the elements come together beautifully at the book's climax.
