The 12 Best Books on the French Revolution to Buy in 2018

The Terror was when the French Revolution went terribly wrong, and in this book, Andress puts together a detailed study of it. You can't learn about the opening years of the revolution without addressing what happened next, and this book will set you up to read some of the (often odd) theories elsewhere.

French Revolution Books Goodreads

The French Revolution began in 1789 with the convocation of the absolute monarchy that had ruled France for centuries collapsed in three years. French society underwent an epic transformation as feudal, aristocratic and religious privileges evaporated under a sustained assault from liberal political groups and the masses on the streets.

What is the best history book on the French Revolution

I don't think I'm really qualified to say what the best history book about the French Revolution is, but I do know that Thomas Carlyle's history of the French Revolution, though unusual in its style, is meant to be quite iconic at least as far as English language works on the subject go.

French Revolution Causes Facts Summary Britannica com

French Revolution, also called Revolution of 1789, the revolutionary movement that shook France between 1787 and 1799 and reached its first climax there in 1789. Hence the conventional term Revolution of 1789, denoting the end of the ancien régime in France and serving also to distinguish that event from the later French revolutions of 1830 and 1848.

What is a good introductory book on the French Revolution

There are several books indeed but, as a Frenchman interested in history I discovered only 10 years ago a book that taught me the reality of 1789 revolution while all others, including what I was taught at school, more or less repeated the same consensual, and rather erroneous, main lines.

French Revolution Wikipedia

The Revolution resulted in the suppression of the feudal system, emancipation of the individual, a greater

division of landed property, abolition of the privileges of noble birth, and nominal establishment of equality among men. The French Revolution differed from other revolutions in being not only national, for it intended to benefit all humanity.
