The Little House Teaching Children Philosophy

The Little House, by Virginia Lee Burton, is a story about a Little House that originally lived in the country, but as the years go by the countryside transforms into an urban city. What was once green grass and natural surroundings turned into large skyscrapers and loud train stations. The Little House grew shabbier and shabbier with each passing day. Soon enough, the Little House disliked living in a developing city, and returned home to the countryside.

The Little House by Virginia Lee Burton Paperback

The little house has a wonderful life in the fresh air and changing seasons of the country, but wants to live in the city. Along creeps urbanization, and the city comes to the little house, but the little house becomes miserable in the nastiness of the city. In the end, the little house is moved back to the country.
