RELATED BOOK :

A Time to Kill Jake Brigance 1 by John Grisham

"A Time to Kill" is a riveting story of retribution and justice so does the title imply. Replace riveting by frustrating and you know what I felt while reading this doorstopper of a book. On more than 500 pages, John Grisham delves deep into the schemes and entanglements of a trial in the Southern USA.

A Time To Kill was that book for me. After listening to John Grisham's podcasts, I decided to rip the book open and plow through. There was so much against Carl Lee that I was concerned Grisham had taken things too far but in the end I enjoyed the controversy and the only part I would change is a final scene for Row Ark. She deserves some kind of recognition. A wonderful novel and one that I recommend any thriller fan to read.

A Time to Kill John Grisham

Before The Firm and The Pelican Brief made him a superstar, John Grisham wrote this riveting story of retribution and justice. In this searing courtroom drama, best-selling author John Grisham probes the savage depths of racial violence as he delivers a compelling tale of uncertain justice in the small southern town of Clanton, Mississippi.
