Riley published a third book, Dawn of the Bunny Suicides, in 2010. The book drew controversy in 2008 at Central Linn High School in Oregon, when a mother refused to return a copy to her son's library, claiming she was going to burn it instead. In September 2010 the Bunnycides app was released, an iPhone app of the Bunny Suicides series.

Riley should be medicated. And I really liked this apparently simple book of cartoons, so I'm in no better shape. This is all Tim Burton's fault. He led me to this book and now, I can't stop. I love humor, and this is my favorite kind. This book contains some hilarious, twisted, macabre, weird and tender stuff.
