### **8 Books That Explore the History of World Religions**

China, India, Israel, and Greece were once the four major regions of the ancient world. Within each of them, a new religion arose. China saw the beginnings of Confucianism and Taoism just as Israel preached a more monotheistic faith. India became the hub of Hinduism and Buddhism while Greece favored philosophical rationalism.

### **World Religions and Cults Volume 3 Answers in Genesis**

This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode, for it was written to refute those religions and show how they fail.
