

BOOK WHAT ARE YOU AFRAID OF

RELATED BOOK :

What Are You Afraid Of Goodreads Share book

This book was very interesting and I learned a lot about different fears people can have. It is basically a bunch of short stories about different kinds of phobias people have. I feel the theme is everyone is scared of something no matter how tough or brave you seem there is always the one thing. I definitely would recommend this book to my friends because it was very interesting and informing.
