### **Best Middle Ages Books 1063 books Goodreads**

The term 'Middle Ages' is only used for a Western European phenomena, as far as I know. Yet there are books on this list which are not set in during the Middle Ages of Western Europe, like The Tale of Genji (#149), for instance. A great book, but I very much doubt whether it should be on this list? Same goes for The Pillow Book (#297).

### **List of books and articles about Middle Ages Online**

The Dark Ages, formerly a designation for the entire period of the Middle Ages, and later for the period c.450-750, is now usually known as the Early Middle Ages. The term Dark Ages may be more a judgment on the lack of sources for evaluating the period than on the significance of events that transpired.
