American Civil War Books

The American Civil War (1861-1865) was a civil war in the United States of America. Eleven Southern slave states declared their secession from the United States and formed the Confederate States of America, also known as "the Confederacy". Led by Jefferson Davis, the Confederacy fought for its independence from the United States.

Top 10 Civil War Books of 2018 Video Review

The Civil War will always be relevant in terms of its massive impact on American history, but its effects can be felt in so many ways beyond a mere understanding of the course of events. Without the Civil War, the United States of America may never have passed legislation like the landmark 13th and 14th Amendments to the constitution, for example.
