What is the best book on schizoaffective disorder Quora

I was diagnosed bipolar schizoaffective in 2006. This was the only book out there at the time and it was very interesting to me- I had to order it from the publisher and it was very expensive.

Books About Schizoaffective Disorder Psych Central

Books About Schizoaffective Disorder For years there were no books about SAD on the market, but over the last few years a number of books have come out in the small press and self-publishing venues. I have read several of these, just to see how the illness expressed in other people, and how people beat the condition or failed to beat it.

Schizoaffective disorder Wikipedia

Schizoaffective disorder can often be misdiagnosed when the correct diagnosis may be psychotic depression, psychotic bipolar disorder, schizophreniform disorder or schizophrenia; this is important for patients or consumers because the treatments and prognoses for these other disorders are different from schizoaffective disorder.
