The Secret Language of Birthdays Personology Profiles for

"Out of all the books in the three I respect by Goldschneider, I love the Secret Language of Birthdays a little more since it appeals to everyone compared to just a few. Destiny is something everyone pursues but it is a general description given without any details to the person and as for relationships, well relationships are different among everyone and so the general is for a general understanding how two people will mesh.

The Truth An Uncomfortable Book About Relationships

The book is an essential next step from Neil's infamous book The Game; whereas that was about outer game, this book is about Neil's future after The Game, being in a monogamous relationship, cheating on the love of his life and trying to get back from it, learning oh so much in the process, from the (non)benefits of therapy to his adventures in experimenting with a personal harem and much
