Chain Reaction Simone Elkeles reviews snarkybooks com

You're right, Simone intended for Luis to be good and Nikki to be bad. She told us after an interview we did with her that she was having a hard time writing this book, that the publication was pushed back so, this is what we have.

Chain reaction Wikipedia

A chain reaction is a sequence of reactions where a reactive product or by-product causes additional reactions to take place. In a chain reaction, positive feedback leads to a self-amplifying chain of events.
