Fast Food Nation pdf PBworks

In 1970, Americans spent about \$6 billion on fast food; in 2001, they spent more than \$110 billion. Americans now spend more money on fast food than on higher education, personal computers, computer software, or new cars. They spend more on fast food than on movies, books, magazines, newspapers, videos, and recorded music combined.

Fast Food Nation Wikipedia

Fast Food Nation: The Dark Side of the All-American Meal is a book by investigative journalist Eric Schlosser that examines the local and global influence of the United States fast food industry. First serialized by Rolling Stone in 1999, the book has drawn comparisons to Upton Sinclair's classic muckraking novel The Jungle. The book was adapted into a 2006 film of the same name, directed by Richard Linklater.
