About Through the Looking Glass the book Alice in

Many of these stories were used for the sequel, Through the Looking Glass and what Alice found there . Carroll s distant cousin Alice Raikes suggested that she gave him the idea for the Looking-Glass theme, when he asked her to stand in front of a mirror, holding an orange, and tell him in which hand she was holding it. However, Carroll met Alice Raikes only after he had already sent the manuscript to the printers, so this story is untrue.
