

BOOK LAST OF THE MOHICANS

RELATED BOOK :

The Last of the Mohicans Wikipedia

The Last of the Mohicans is set in 1757, during the French and Indian War (the Seven Years' War), when France and Great Britain battled for control of North America. During this war, both the French and the British used Native American allies, but the French were particularly dependent, as they were outnumbered in the Northeast frontier areas by the more numerous British colonists.
