This book is meant to be of use, to be a companion, a soul friend. It is, indeed, a book of awakenings. To write this I've had to live it. It's given me a chance to gather and share the quiet teachers I've met throughout my life. The journey of unearthing and shaping these entries has helped me bring my inner and outer life more closely together. It has helped me know and use my heart. It has made me more whole. I hope it can be such a tool for you.
