The Gifts of Imperfection Book Summary in PDF

The Gifts of Imperfection is a great book with lots of wisdom. Most of all, I liked the link between authenticity and writing your own story. I would probably pick The Gifts of Imperfection over Daring Greatly, albeit the latter has a better overview and more psychological explanation. Bren Brown writes books that appeal a lot to women. This is not to say that they are not useful for men, but it does mean they can be counterproductive for me.

Brene Brown The Gifts of Imperfection PDF

The Gifts of Imperfection: Let Go of Who You Think You're Supposed to Be and Embrace Who You Are by Brene Brown is a book we all need to read. I admit, that whole thing about Who I Am vs. Who I Am Supposed to Be gets me every time. I think it's a fine line between embracing things I shouldn't embrace and being okay with where I am right now. I think that I should strive to be better, and maybe Who I Am is not good enough. So, I admittedly bristled a bit at the subtitle there.
