**Harry Potter The Complete Collection Amazon de Joanne K**

I've been in love with the Harry Potter stories for years, and bought recently these English books. The story is of course as nice in English. The books are what you would expect from new books, the font is not too small, and the cover is amazingly beautiful. If I would want to give a downside, it would be the fact that it is difficult to grasp a book out of the "box" when they are all in it
