The Best Books on Hitler Five Books

It's a better book than all the ponderous tomes on Hitler, because Heiden was actually there it's of the time. I think that can be more interesting than people who write about things afterwards.

Hitler by Joachim Fest Goodreads Share book

While this biography of Hitler published in 1973 it was the first ever by a German writer fell into my hands as serendipitously as such books always do (my reading is planful and curricular only when it comes to New World slavery, and Virginia Woolf), I did open it seeking answers to some definite questions.
