### **10 Must Read Women Writers From The Middle East**

Widely acknowledged to be a pioneer in women's writing in the Middle-East, Layla Baalbaki was one of the first writers to give women a voice in Arab literature, focusing primarily on female issues. Her 1958 novel *I Live* is a work far ahead of its time, revolving around a young Lebanese woman as she attempts to negotiate her place in the world; striving for political, social and financial independence.

### **15 Must Read Books From the Middle East Culture Trip**

Primarily exploring the relationship between men and women in contemporary Saudi society, the novel examines the tension between the old, strict traditions, and the effects of modern thought and technology in granting women wider intellectual and sexual freedom. Through her work, Rajaa Al-Sanea sets out to correct the stereotypes of women in Saudi Arabia, depicting strong, complex characters whose quest for love and passion mirrors many of Western literature's greatest heroines.
