Books about Twins Berkeley Parents Network

If you're looking for books specifically about raising twins, you unfortunately won't find a whole lot of good info (which is too bad, since there are so many useful books about twin pregnancies) - I've read pretty much all of them, and a lot of them have anecdotal stories from other parents, lists of how many onesies you might need, etc

Raising Twins What Parents Want to Know and What Twins

The Pearlman book is quite good on many fronts, including the use of interviews with twins and parents and the dispelling of twin myths. The section on twin language and language acquisition is quite good, as are the sections on development of individual personalities.
