The Book of Pirates by Howard Pyle Goodreads

Howard Pyle's The Book of Pirates starts off like a non-fiction history of pirates, mainly of the Caribbean variety. It's not an absolutely enthralling history, but it does try to enliven the old stories, almost in the way that modern writers of history have managed.

Howard Pyle's Book of Pirates English Edition eBook

My review has nothing to do with the author, but with the quality of this reprinted book. I purchased this book having seen some other reprinted copies of Pyle's pirate stories, sadly now out of print. That book had very nice reprints of his art work. So I ordered a Forgotten Books Classic Reprint Series version. Boo, hiss.
