Belong to Me by Marisa de los Santos Goodreads

The main protagonist of *Belong to Me* is thirty-two year old city girl Cornelia Brown, who has reluctantly given in to the pull of the suburbs. Her entrance on the scene in her neighborhood is awkward, to say the least, and she finds herself tested again and again by the new women in her life. While she meets others challenges head on with her confidence and general optimism, her own crisis threatens her in ways she never imagined.

Belong to Me by Laura Howard Goodreads Share book

Belong to Me by Laura Howard is a terrifically written love story. What starts out as a web of tragedy, mistrust and loss gradually turns into a once in a life time love. I am so in love with all of these characters and cannot wait to see what happens next in this series. Howard has a way of holding on to my emotions and bringing them to the surface even after I finish reading her books. A forever fan. More please.
