### **Book of the Month Club Wikipedia**

The Book of the Month Club (founded 1926) is a United States subscription-based e-commerce service that offers a selection of five new hardcover books each month to its members. Books are selected and endorsed by a panel of judges, and members choose which book they would like to receive, similar to how the club originally operated when it began in 1926. Members can also discuss the books with fellow members in an online forum.
