Seven books Christians should read on the Holy Spirit

The Holy Spirit by Sinclair Ferguson. This is one of my all-time favorite books on the Holy Spirit. Ferguson manages to mostly maintain the difficult balance of being theological and devotional in his writing, something few authors can do.

Doctrine of the Holy Spirit Recommended Reading

A truly great book. John Owen The Holy Spirit. In my opinion, John Owen is the greatest of the Puritan theologians. If you are able and willing, get his complete works (16 volumes). His work on the Holy Spirit is found in volume 3 of the complete works. If that is a bit much, then at least take the time to read this paperback edition of his work on the Holy Spirit.
