What are the best books about life after death

Few books I have read on the topic that immediately come to mind: The laws of the spirit world - I was fascinated by this book though I was skeptical to start with.

Life After Death The Book of Answers Amazon.co.uk Dr

This book is okay, it was one of the first I read after my mother's passing so it was beneficial. There is a lot of reference to certain aspects of quantum physics which at least support the possibility of consciousness existing after death.
