### **Sycamore Row by John Grisham Review David Savage**

Overall, Sycamore Row is nothing short of brilliant. John Grisham is an excellent writer of legal thrillers and this does not disappoint. It is exciting, packed with tension, lies and secrets. Not a single page of this 447 page novel was disappointing. While the first half of the book is spent building up a picture of the characters, for me, it made them come alive. The second half of the book

**Sycamore Row by John Grisham Paperback Barnes Noble**

Now that Sycamore Row is finished, I'm not sure where the idea came from, at least not in fact. I suppose the inspiration comes from the characters because, in writing it, I often felt as though I was having dinner with old friends. It was a delight to catch up with them, to hear their voices again, and to remember how they were thirty years ago. I hope they haven't changed much.
