The Boy in the Striped Pajamas by John Boyne Goodreads

The Boy in the Striped Pajamas is truly an amazing yet daunting novel that I will never forget. The author John Boyne did a masterful job of depicting the setting in such vivid detail and exposing the events in a manner that I felt a constant emotional pull as the story unfolded and impending doom lingered on the horizon.

The Boy in the Striped Pajamas by John Boyne Review

The Boy in the Striped Pajamas is an unusual story, one of the most difficult and disturbing a teen will ever read. It is the story of an event seared into the fabric of history. It is a fable told through the voice of a child, but it is not for children, and this is not just any child.

The Boy in the Striped Pajamas amazon com

Still, I always find some silver lining in reading historical fiction, and The Boy in the Striped Pajamas is not a book that I regret reading. I just wish Boyne had done a better job with Bruno's voice.

The Boy in the Striped Pajamas John Boyne Books Online

"The Boy in the Striped Pajamas" would easily top my list of "Worst Books about the Holocaust." I am writing as one who was there -- I was once myself a boy in striped pajamas and am a survivor of six German concentration camps.

The Boy in the Striped Pyjamas Wikipedia

Unlike the months of planning Boyne devoted to his other books, he said that he wrote the entire first draft of The Boy in the Striped Pyjamas in two and a half days, barely sleeping until he got to the end. (He did, however, commit to nearly 20 years of research, reading and researching about the Holocaust as a teenager before the idea for the novel even came to him.) As of March 2010, the novel had sold more than five million copies around the world.
