10 Engaging Novels about World War II Book Riot

These books focus more on the civilians of the war, rather than the soldiers themselves (with some very notable exceptions). This list ranges from YA to adult fiction and even journeys through the world from U.S., Western Europe, and even China. Enjoy! The Book Thief by Markus Zusak. There aren't many books that had me bawling on a bus.

World War II Wikipedia

World War II changed the political alignment and social structure of the globe. The United Nations (UN) was established to foster international co-operation and prevent future conflicts; the victorious great powers China, France, the Soviet Union, the United Kingdom, and the United States became the permanent members of its Security Council.
