## RELATED BOOK :

### **The English Patient by Michael Ondaatje Goodreads**

Few books are felt as much as read, but The English Patient falls into this category. Like the film, it is hauntingly beautiful, but for slightly different reasons. The story of people haunted by love and war, their damaged souls converging at a villa in Italy, remains, but the focus and method in which the story is told on paper is filled with poetic passages, and stunning beauty.

### **The English Patient Bloomsbury Classic Series Amazon de**

The English Patient is by far one of the most beautiful books I have ever read. The words are so generous and descriptive, each page was an adventure into the lives of the characters, and every work delicious. I have not read any other books by Michael Ondaatje, but I will certainly be looking for others.

### **SparkNotes The English Patient Plot Overview**

In The English Patient, the past and the present are continually intertwined. The narrative structure intersperses descriptions of present action with thoughts and conversations that offer glimpses of past events and occurrences. Though there is no single narrator, the story is alternatively seen from the point of view of each of the main characters.
