Join Robyn Carr, high in the Rocky Mountains, at the crossroads of the Colorado and Continental Divide Trails, where campers and hikers, bikers, rock climbers, fishermen and nature lovers refuel, refresh and recharge. Strangers warm by the fire of a general store passed down through the generations, an outpost now owned by a friendly guy named Sully. People tend to hang out on the store s wide front porch, so pull up a chair. The beer s cold, the air s fresh, and the company s good.
