#### Nancy Drew Series Goodreads Share book

The Nancy Drew Series are the first books I remember reading in English. Drew me in from the start and is what made me go for mystery and detective stories as I got older. I would definitely recommend this to young readers and yes, for adults as well! I enjoyed re-reading a few of them as an adult.

### **Comic Book Review Nancy Drew 1 Bounding Into Comics**

This new Nancy Drew just falls, sadly, into that realm of rebooted characters that fail to retain any of the appeal of its origins while also not bringing anything compelling to the table. We ve got diversity, we ve got inclusion, but what we don't got is much of a story.

#### Nancy Drew and the Clue Crew Series Book Review

In the NANCY DREW AND THE CLUE CREW series, third-grader Nancy Drew joins forces with her two best friends, Bess and Georgia (but please call her George!) to solve the mysteries that come across their path. Most of the cases involve finding things that have disappeared -- ballet slippers, kids toys, a horse from a locked pen -- and the girls have to keep organized case files and maintain friendships while hunting for clues.
