Chariots of The Gods by Erich von D niken Goodreads

I read Erich von Denizen's Chariots of the Gods many many years ago (I borrowed it from my college roommate) and even giving this book one star, is basically (in my opinion) one star too many.

Chariots of the Gods Erich Von Daniken 9780425074817

I bought this book since I read it first many years ago when it was first published. Since then I lost it. It was this book that started my interest in the theory of aliens from space and the gods, etc., though I loved reading about Mythology in school.
